Author	John Wilson, BDS *(Sydney 1967)*
Reviewer/Approver	
Paper title	Leadership for wrong
Purpose	Rather than The University of Sydney adhering to its motto of "Leadership for good starts here", the misinformation taught at the Law School in respect to the Australian Constitution and the Jurisdiction of Judges is extremely injurious to the Australian People and the country, itself. These teachings of the Law School, especially as to the Right to trial by Jury, bring The University of Sydney into disrepute and urgent remedial action must be taken by the Senate.

RECOMMENDATION

THAT the Senate, through the Strategy and Risk Committee, call upon the Head and Dean of the Law School to table the School's full curriculum in relation to Australian Constitution and the Rights of People to seek justice through the courts, to the Senate for examination.

THAT a the Strategy and Risk Committee conducts an interview with me, John Wilson, for the verification of my cause of action as to this accusation I am making.

THAT the Strategy and Risk Committee delivers this recorded interview to the Senate, without delay because of the fact that, every day, more and more innocent and defenceless men and women are suffering because they are denied justice.

EXECUTIVE SUMMARY

Australia was Proclaimed a Commonwealth on 01/01/1901 and, at that moment, Australia was no longer "under the Crown of the United Kingdom". The Executive Power of the Commonwealth could not be vested in the Head of a Foreign State. The Act to Constitute the Commonwealth of Australia (63 & 64 Victoria. Chapter 12. 9th July 1900) immediately was of no effect, as confirmed by the High Court of England and Wales. The "Constitution" was Part 9 of that UK Act of Parliament and also immediately became inoperable and obsolete.

This has been concealed ever since and The University of Sydney's Law School has played its part in the mischief.

In the courts of Australia, People are constantly denied their Right to "the lawful judgment of his equals", i.e.: Trial by Jury. The University of Sydney's Law School is heavily involved in this 'subverting and extirpating the laws and liberties' of the Australian People.

It is the duty of the Senate to come forward "for good".

BACKGROUND / CONTEXT

Perhaps the Senate of The University of Sydney has never been faced with such a serious situation..

ISSUES

The Law School must 'come clean' regarding Australia's status as being a Commonwealth rather than being governed by/under the Crown of the United Kingdom. Also to teach that "To no one will we sell, to no one will we deny or delay Right or Justice" (Magna Carta) and " the lawful judgment of his equals is the law of the land" (Magna Carta).

OPTIONS

The Law School is responsible for ordinary Australians suffering at the hands of courts that "act unfairly or dishonestly or disregard legal rights or disregard legal procedures", which is the definition of a Kangaroo Court. The Law School is also responsible for the ignorance and, therefore, the inability of the People of Australia to achieve the benefits of true Democracy.

CONSULTATION

This submission is based on research conducted at the State and various University and Public Libraries.

FINANCIAL CONSIDERATIONS

Funding arrangements are not a consideration.

RISKS / BENEFITS

The risk is to The University of Sydney if "Leadership for good " does not "start here".

IMPLEMENTATION

The curriculum of the Law School is simply corrected to promote Truth, Justice, Freedom and Democracy.

COMMUNICATION

A statement from the Senate to the effect that it has become aware of errors and deficiencies in the Law School's curriculum and has put in place the necessary corrections and improvements.

ATTACHMENTS

The Attachment hereto annexed and marked "X" is a leaflet entitled "AUSTRALIANS are denied their RIGHTS and their COUNTRY".

The Attachment hereto annexed and marked "XX" is a leaflet entitled "AUSTRALIA'S SLAVERY has it ROOTS in the LAW SCHOOLS".

AUSTRALIANS are denied their RIGHTS and their COUNTRY:

AUSTRALIA'S CONSTITUTIONAL DILEMMA & DECEPTION:

Definitions:

1. **A MONARCHY is when a KING/QUEEN has SOVEREIGNTY**
2. **A REPUBLIC is when a PARLIAMENT has SOVEREIGNTY.**
3. **A DEMOCRACY is when a PEOPLE have SOVEREIGNTY.**
4. **SOVEREIGNTY is "*the ultimate authority to make and impose laws*".**

Dear Fellow Freedom Fighters,

Regarding the 1900 UK Act to Constitute the Commonwealth of Australia: "*As soon as Australia became independent, the 1900 Act ceased to have any effect*" (Fitzgibbon v HM Attorney General [2005] EWHC 114 (Ch)(09 February 2005) ..... but nobody was told.

Australia became a sovereign and independent nation on 01/01/1901 with the Proclamation of the Commonwealth of Australia, which was covering clause 3 of that short-lived UK Act that was fundamentally flawed to begin with and which Sir Joseph Chamberlain altered before allowing it to go to the Houses of Parliament. Because a Commonwealth and a Monarchy are literally incompatible, he immediately deleted "*This Act shall bind the Crown*" from covering clause 2, amongst other changes. Victoria could not be vested with "*the executive power of the Commonwealth*". The 1900 UK Act acceded to and delivered a Commonwealth to the People of Australia and the British Crown surrendered its authority.

England, itself, was once a Commonwealth (1649 - 1660) that came about with the beheading of Charles I (30/01/1649), "The Act abolishing the office of King" (17/03/1649), and "An Act declaring England to be a Commonwealth" (19/05/1649).

America's independence required a bloody war (19/04/1775 - 03/09/1783) and a Declaration of Independence (04/07/1776) and then a Constitution of the United States (created 17/09/1787 and ratified 04/03/1789).

Following the Proclamation of the Commonwealth of Australia on 01/01/1901, Australia should have also created and had adopted by referendum, a Constitution of its own...but the Elite/Monarchists prevented that from happening and the fiasco continues today.

Thomas Jefferson said, "*If the people don't know how to govern themselves, then educate them.*" Isn't about time Australians knew how to govern themselves..starting off with the realisation of what it means to be a Commonwealth?

Yours sincerely,
Dr John Wilson, BDS (*Sydney*)

AUSTRALIA'S SLAVERY has its ROOTS in the LAW SCHOOLS:

A SLAVE has (i) NO RIGHT of CONSENT; (ii) NO RIGHT to PROPERTY, and (iii) NO RIGHT to TRIAL BY JURY .... and AUSTRALIA is a country of SLAVES ruled by THIEVES (the BANKS) and TRAITORS (the JUDGES).

BANKS ARE THIEVES:

(a) The BANKS create MONEY OUT OF THIN AIR and inject it into the economy as LOANS which they recoup WITH INTEREST.

(b) The Australian system of VARIABLE INTEREST is a "GLOBAL JOKE". There are 8 essential elements for the creation of a true contract, i.e.: (1) offer; (2) acceptance; (3) sufficient consideration; (4) capacity to contract; (5) intention to enter legal relations; (6) legality of purpose; (7) genuine consent; and (8) certainty of terms. Therefore, "*Variable interest rates render a contract void for uncertainty*" and obtaining money by FRAUD is STEALING.

(c) "*Thieves only come to steal, and kill, and destroy*"- John 10:10

(d) JUDGES CONCEAL BANK FRAUD.

JUDGES ARE TRAITORS:

(a) DEMOCRACY literally means "PEOPLE RULE", i.e.: they have SOVEREIGNTY which is "*the ultimate authority to make and impose laws*".

(b) JUDGES ARE TRAITORS because deny us our inalienable RIGHT to TRIAL BY JURY which is TREASON because it is "an act intent on OVERTHROWING DEMOCRACY.

(c) "*And this occurred because of false brethren secretly brought in (who came in by stealth to spy out our liberty which we have in Christ Jesus, that they might bring us into bondage).*" - Galatians 2:4

MAGNA CARTA: The Palladium of Liberty.

(a) "*No free man shall be taken indeed imprisoned, or exiled or outlawed, or dispossessed or destroyed in any way, nor shall we pass over him nor send over him unless by the lawful judgment of his equals which is the law of the land. To no one will we sell, to no one will we deny or delay Right or Justice.*" – Magna Carta 1215

(b) "*Magna carta is now seen as a traditional mandate for trial by jury, justice for all, accountable government and no arbitrary imprisonment*" - Magna Carta Monument, Canberra.

(c) "*People are destroyed for the lack of knowledge*" - Hosea 4:6

KANGAROO COURTS:

A "*kangaroo court is a court that acts unfairly, or dishonestly, or disregards legal rights, or disregards legal procedures*". Such a court was the "STAR CHAMBER" that was abolished in 1641 by Parliament saying "*that Court doe now cease and the Proceedings Censures and Decrees of that Court have by experience beene found to be and intollerable burthen to the subjects and the meanes to introduce an Arbitrary Power and Government*".

WOE TO YOU LAWYERS:

"*Woe unto you, lawyers! for ye have taken away the key of knowledge: ye entered not in yourselves, and them that were entering in ye hindered*" - Luke 11:52.
