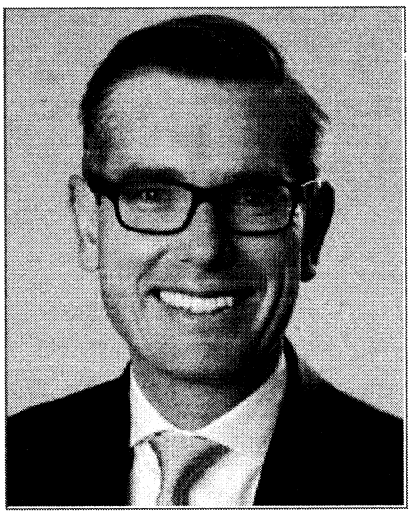
Open Letter to the Premier of the State of New South Wales:

The Hon. Dominic Francis PERROTTET, LLB, BCOM MP



Member of the Legislative Assembly
Member for Epping
Premier
Member of the Liberal Party

Dear Dominic,

Q: How many yellow paintballs will it take for Truth and Justice?

"There are four boxes to be used in defense of liberty: soap, ballot, jury, and ammo. Please use in that order." **- Ed Howdershelt.**

"Australia is a county of slaves ruled by thieves (the Banks) and traitors (the Judges)." **- John Wilson.**

"Variable interest rates render a contract void for uncertainty." **- John Wilson.**

"A Slave has (1) no right of Consent; (2) no right to Property; and (3) no right to Trial by Jury." **- John Wilson.**

(1) **The Constitution of the Liberal Party of Australia has specific Objectives that include to *(3) Guarantee Australia will remain a democracy; (4) Maintain the control of law; (5) Preserve the independence of the judiciary; (6) Uphold freedom of speech, religion and association;(7) Uphold a citizen's inalienable rights; (8) Protect the people against exploitation; (21) Enable families to own their own home; and (22) Leave no doubt that family life is fundamental to the well-being of society.***

I have recently re-joined the Liberal Party after an absence of 27 years because a re-distribution of electoral boundaries now has North Rocks in the Epping

Electorate - which means you are now my representative to the NSW State Parliament and my property at 331 North Rocks Road, where I conducted my dental practice until it was stolen from me in 2008, is firmly under that same umbrella. On the 26th of June, 2008, in the Supreme Court of NSW, I joined the countless hundreds of thousands of victims of blatant corruption that I have described in my books, "*Banks and Judges*" and "*Jackals of Slavery and how to defeat them*".

With total disregard for my legal rights and total disregard for legal procedures, the theft was effected. Thus making for a "*kangaroo court*" and leaving no doubt that we have in our beautiful country "*evil counsellors, judges and ministers subverting and extirpating the laws and liberties*" - Bill of Rights 1688.

Five centuries ago in England their Parliament made "*An act for the regulating of the privy council, and for taking away the court commonly called the star-chamber. WHEREAS by the great charter many times confirmed in parliament, it is enacted, That no freeman shall be taken or imprisoned, or disseised of his freehold or liberties, or free customs, or be outlawed or exiled or otherwise destroyed, and that the King will not pass upon him, or condemn him; but by lawful judgment of his peers, or by the law of the land:*".

Today in Australia, our "*kangaroo courts*" are far worse than that "*star chamber*" which was even then "*found to be an intolerable burthen to the subjects, and the means to introduce an arbitrary power and government;*".

The excesses of tyranny and exploitation came to a head ("*no pun intended*") in 17th century England and the "*Office of King*" was abolished and that country was "*hereby constituted, made, established, and confirmed, to be a Commonwealth and Free State, and shall from henceforth be governed as a Commonwealth and Free State by the supreme authority of this nation, the representatives of the people in Parliament, and by such as they shall appoint and constitute as officers and ministers under them for the good of the people, and that without any King or House of Lords.*"

History shows that Australia's path from the establishment of a Penal Colony of the British Empire on the 26th day of January 1788, to the "*Proclamation of the Commonwealth of Australia*" on the 1st day of January 1901, echoed that same spirit and desired for Freedom, Justice and Peace that has has always been in the hearts and souls of good men and women since time began.

But we fall asleep and forget the constant warnings that "*The Price of Liberty is Eternal Vigilance*" and "*Those who do not learn the lessons of history are doomed to repeat it*". It is that way in Australia today and our courts have become the

mechanism to impose what can be called "*Modern Slavery*". It is cunningly conceived and ruthlessly imposed as we don't heed the warning of Galatians 2:4 that *"And this occurred because of false brethren secretly brought in (who came in by stealth to spy out our liberty which we have in Christ Jesus, that they might bring us into bondage)."*

The Despotism of the Australian Judiciary seems to be impenetrable with Australian Sheriffs "*just following (their) orders*" to silence any dissent. In fact, if it weren't for Australian Sheriffs being nothing more than, what I call, "*Terrorism's Uniformed Dummies*" these "*false brethren*" our Australian courts would be "*places where Justice is administered*" to "*protect rights and punish wrongs*".

Instead of Australian Sheriffs performing their duty "*To ensure that people can access their rights in court in safety*", they unswervingly act oppositely. Are there no men and women in the uniforms of Sheriffs' with intelligence and a conscience to evaluate their own actions? Constantly I am reminded of the Nuremberg Trials following the Second World War when "*I was just following orders*" was "*No Defence*".

"TREMBLE and OBEY":

SUBSERVIENCE is expected and enforced in Australian courts.

My latest experience of this was on Monday the 13th of February 2023 in the Downing Centre Local Court and the Case Number is 2023/27138 for "R v JOHN WILSON" and the person on the bench was Deputy Chief Magistrate Theo Tsavaridis. I was seeking to have an Annulment of a Judgement made against me by Magistrate Roger Prowse on Friday the 27th of January 2023 after he had me removed from the court and from the building by the Sheriffs to silence my oral Challenging the Jurisdiction of the Court.

With Deputy Chief Magistrate Tsavaridis, I again Challenged the Jurisdiction of the Court. I had with me the sworn-to and witnessed by a Justice of the Peace documentation of the Challenge which I had tried to file in the Registry of the Downing Centre but Registrar James Wiseman aggressively refused to allow filing and also called the Sheriffs to remove me out of the building and into the street. Deputy Chief Magistrate Theo Tsavaridis disregarded my Right to Speak, my Right to Trial by Jury and the legal procedure to Challenge the Jurisdictionof the Court.

As the Premier of the State of New South Wales and a top Member of the Liberal Party of Australia, what are you going to do about this?

A few days ago, on Sunday the 12th of February 2023, I attended that Liberal Party gathering at the Epping St. Alban's Church on Sunday where you gave a short talk asking the members to man voting booths at the upcoming State Elections. I was the elderly character in the front row wearing my little yellow "Juries R Us" badge. You impress me as a physically fit young man with a marvellous career ahead of you in the Parliaments ... indeed, you would make an excellent Prime Minister, even now.

You impress as being a man of Integrity who believes in Truth and Justice.... and the Objectives of the Liberal Party of Australia are noble ones, indeed. What now?

What of the February 7, 2023 announcement that *"The Reserve Bank of Australia (RBA) Board today increased the official cash rate target by another 25-basis-points to 3.35 per cent, following 25-basis-point increases in October, November, and December 2022, 50-basis-point increases in June, July, August, and September 2022, and after a 25-basis-point increase on 3 May 2022. The RBA also indicated that further interest rates rises will be needed in the months ahead and this period of high inflation is temporary. The size of the rises will be guided by incoming data and RBA's assessment of the developments in the global economy, trends in household spending, the outlook for inflation and the labour market."* ?

What of the Common Law simplicity that "*Variable interest rates render a contract void for uncertainty*" and the Banks increasing mortgage repayments to lenders trapped into these fraudulent loan contracts?

"*Truth is the mother of Justice*" is a legal maxim which you, as a lawyer, would be familiar with. What of a Judge in the Supreme Court of New South Wales, when referring to the "*variable interest*" component of a contract says, "*the rate itself is indeed certain*"? What of three Judges in the High Court of Australia, when asked the question "*Does variable mean uncertain?*", and Dawson J answers "*No, we cannot answer those questions, I am sorry.*" and "*I think we appreciate what the case is.*" and "*Thank you, Mr Wilson. We need not trouble you, Mr Bennett.*" ?

What will you do, <u>now</u>, to uphold the Objectives of the Liberal Party of Australia?

Yours sincerely,

John Wilson,

North Rocks,
NSW 2151.
