

Why the “JURIES R US Stockade”?

Thurs, 20th November 2025.

Dear Fellow Freedom Fighters,

Re: Why have the “JURIES R US Stockade”?

Here is the photo I took on Saturday the 8th of November 2025 when I went to my old dental surgery and Sam Papadopolous recorded the event on his phone camera and can be found at <https://vimeo.com/1135603370?fl=pl&fe=sh> .

Here is a photo of my property taken in 2019. I was forcefully removed in 2009 after a series of Kangaroo Courts orchestrated by the Banksters in collusion with the Australian Judiciary. The numerous “buyings” and “sellings” of it since then have, of course, been absolute nonsense and unlawful.

Now, I am taking it back and setting up the “JURIES R US Stockade” to do what the poster says (that can be seen in the second photo), ie: for the purpose of “Advancing the Sovereignty of We the People”.

My website, <https://juriesrus.com> , is full of information, laws, procedures, historical events and stories of great men over the centuries who have fought tyranny and establish the Common Law in Defence of Liberty.

Putting the poster at the front door on 8 November was a symbolic gesture and went very well with the NSW Police doing precisely what they are supposed to do, ie: preserving the Peace.

When exactly I open the front door (hopefully with the keys handed over to me by the misguided persons who had no idea of what they were getting into when they thought they could make a business investment when they were suckered into “buying” 331 North Rocks Road, North Rocks, from previous Know-nothings. All the time the treacherous Judges and Magistrates have been continuing with their Kangaroo Courts to imprison me and generally persecute me hoping I would either die or give up.

In a previous email to this, I explained that I am recovering from surgery and I have a case in the Parramatta Local Court on Monday the 22nd of December 2025. Therefore, my state of health and circumstances yet to unfold will determine the day I will open the door to the JURIES R US Stockade.

In the meantime, here are a few bullet-points as to why:-

The REASONS to have the “JURIES R US Stockade” are:-

- To stop the Contract Fraud of Variable Interest Rate Loans.
- To prosecute the Thieves and Traitors responsible.
- To restore the Rule of Law to Australian Courts.
- To educate the People of Australia to govern themselves.
- To vindicate Men’s Rights.
- To enforce Just Causes.
- To establish a Constitution for the Commonwealth of Australia.
- To restore the Truth, the Way and the Life.

Shalom.

Yours sincerely,

John Wilson.
