

# JURIES R US Stockade bulletin:

Email on Thursday, 22<sup>nd</sup> January, 2026.

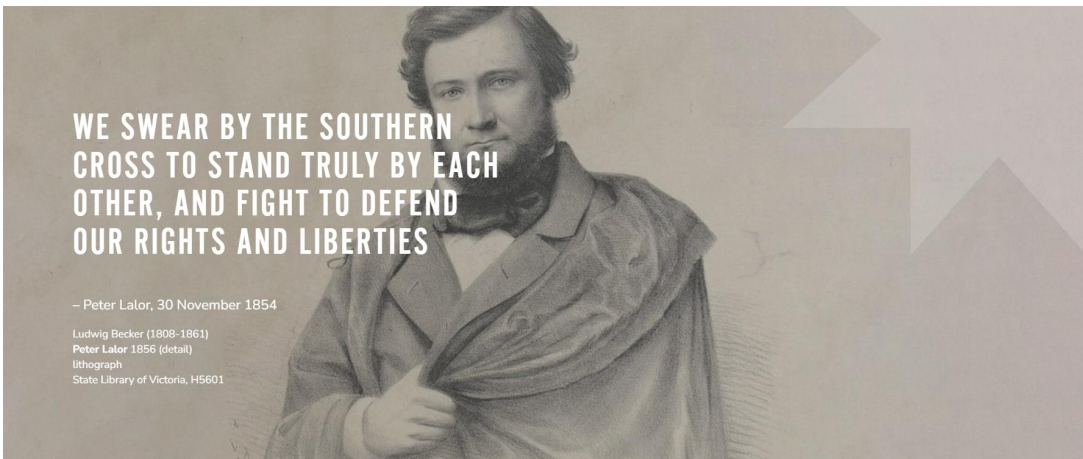

Dear Fellow Freedom Fighters,

**Re: JURIES R US Stockade bulletin:**

**WHY the association with our past?**

**WHO is this fellow?**

*"Those who forget the lessons of the past are condemned to repeat it"* is a famous quote by philosopher George Santayana ..... and the Eureka Stockade Rebellion of 1853-4 is a good example of that. The lesson here is that Justice was done because good men, who knew the importance of Trial by Jury, served on the those juries and found the rebels "Not Guilty" of the charges of High Treason for dissenting and resisting injustice.

**THAT IS WHY!**

**THAT IS WHY** I am creating the **JURIES R US Stockade** on Monday, the 26<sup>th</sup> of January 2026, by returning to my old dental surgery at 12 noon at 331 North Rocks Road in the Sydney suburb of North Rocks, just north of Parramatta. It will be

used as a headquarters for the dissemination of information on Trial by Jury as our “Palladium of Liberty”.

The last time I went to 331 was Saturday, the 8<sup>th</sup> of November 2025 when I had to cut through chains and bolts under the watchful gaze of a few Police Officers with whom I had a delightful chat after:

**I INVITE** anyone who has the time to come along to video-record the event (of which I would like a copy).... it is a short 549 bus ride from Parramatta railway station ... and hopefully the weather will be kind ..... and the Police will fulfil their duty to ensure law and order are upheld.

Attached is the leaflet announcing the **Opening of the JURIES R US Stockade** and Judicial Corruption mentioned will most certainly be straightened out by the same legal procedure that delivered Justice for the Men of Eureka .... Trial by Jury ... in the very near future.

Yours sincerely,  
John Wilson.

PS: Today I saw a very good clip on Facebook by Michael Gray Griffith talking about the pathetic and deplorable state of our country and about his grandfather whom he admires and inferring that all this “wouldn’t have happened on his watch”!
